Party Particulars

We Provide:

Sparkle! Assistant who performs set-up, offers guests instruction, guidance with design and the final hot-fix application. Invitations, coordinated tablecloths, design templates, assortment of Swarovski® crystals, clipboards, tweezers, transfer paper, white t-shirts *{except with the Sparkle-Your-Own Party}*, coordinated gift bags and iron/ironing board are all provided.

Length of Party: Sparkle! parties consist of 15 minutes for set-up; up to 1.5 hours of design and application time and 15 minutes of clean-up for a **total of 2 hours** *{sufficient time for a party of 15}*. We will, however, stay until all designs have been applied. In the case of a large party, an extra \$20 per hour over the 2 hours allotted time will apply.

Location of Party: Sparkle! parties can be held in your home or other venue of your choosing. We serve the greater Orange County area and a trip charge may apply if the location is outside the Orange County area.

Extra Designs: Sparkle! parties include all the ingredients for guests to create ONE design during the time allowed. During the Sparkle-Your-Own Party, guests have the option of designing more than one at \$25 per design.

Care Instructions: Once properly applied, the crystal designs are machine washable/dryable. We recommend you wash the garment inside-out in cold water.

I understand and agree with the provisions specified for a Sparkle! party.
